swiss brand

Eurit 435

As market leader of ISDN telephones we know what matters. The typical ISDN functions, a large graphical display and navigation keys are the hallmarks of this telephone. The ergonomic and timeless design offers additional comfort to you.

- **Good legibility thanks to large graphical backlit display**
- **See who is calling with number and name presentation***
- **Supports all major ISDN Euro ISDN supplementary services**
- **Confortable telephoning by handsfree function**
- **Communicate via SMS***
- **Call from any corner of the house by expanding up to 6 handsets**
